

# Little Texas, Kick A Little

My daddy always was a gentleman  
Never the kind who ever forced his hand  
He would always be the last one to raise his voice  
If anybody ever put us down  
Well, you can bet that he would stand his ground  
And he would tell me "Son, sometimes you got no choice."

You got to kick a little  
Cause a stir  
Sometimes you've gotta make some noise to be heard  
If anybody ever tries to hold you back  
You got to kick a little  
Be tough  
You got to let 'em know you've had enough  
Remember that unless you wanna finish last  
You got to kick a little

Some people judge you by the way you look  
They see you once and say you ain't no good  
Feels like they're never gonna take you for who you are  
That's when you have to stand up and be strong  
And go the extra mile to prove 'em all wrong  
Just remember when they push you way too far

You got to kick a little  
Cause a stir  
Sometimes you've gotta make some noise to be heard  
If anybody ever tries to hold you back  
You got to kick a little  
Be tough  
You got to let 'em know you've had enough  
Remember that unless you wanna finish last  
You got to kick a little

You got to kick a little  
Cause a stir  
Sometimes you've gotta make some noise to be heard  
If anybody ever tries to hold you back  
You got to kick a little  
Be tough  
You got to let 'em know you've had enough  
Remember that unless you wanna finish last  
You got to kick a little
