

# Little Texas, My Love

Get on your mark, get set  
Ready or not here I come  
You've been looking for love  
Well honey, I can give you some  
When your world is standing still  
I can turn it around  
Put your head up in the clouds  
And pick your feet off the ground

Chorus:  
My love  
Are you ready for my love, my love  
My love, my love is ready for you.  
If you're looking for a heart that's always true  
Only to you, then my love  
My love, my love is ready for you.

Girl, I've heard it said  
that love is good for the soul  
I see the hunger in your eyes  
Burning out of control  
My love is overflowing from a loving cup  
Girl, I know you're down  
but love will lift you up.

(Chorus)

My love is overflowing from a loving cup  
Girl, I know your're down  
But love will lift you up

(Chorus)

My love, my love is ready for you... (x2)
