

Little Texas, This Time It's Real

I never knew what I'd go through,
without you.
Or how much I need for you to believe in me.
But it won't have to be like before.
'Cause I don't have to lie anymore.

CHORUS

'Cause this time it's real.
The way that I feel about you.
Don't walk away 'cause I'm not the same without you.
I'm not just foolin' around.
I promise I won't let you down.
This time it's real. This time it's real.

I finally know why you had to go away.
You needed TIME something that I couldn't give.
But I'm not the same man I've been.
And you'll know when I hold you again.

CHORUS

I've only given you half of my heart.
But I'll give it all from now on.

CHORUS
