

Little Walter, Take Me Back

Take me back baby,
baby, try me one more time
Take me back baby,
baby, try me one more time
You know I love you baby,
and I just keep on hangin' around

In love with ya' baby,
before I learned to call your name
I was in love with ya' baby,
before I learned to call your name
Now I'm sorry we can't get together,
I'm a fool and I don't understand

No matter where I go,
I can't get you off-a my mind
No matter where I go,
I can't get you outta my mind
Now you keep me worried and bothered,
stay cool all the time

So goodbye baby,
baby if you call it gone
So goodbye baby,
baby if you call it gone
I know it's goin' to worry,
hope it don't last too long
