

Little Walter, Too Late

Too late, too late, too late

I'm tired of your deceivin' and I can't stand your creepin'
I'm tired of your deceivin' and I can't stand your creepin'

Too late, too late, too late

Tired of all the fussin' and I can't stand your cursin', I'
Tired of all the fussin' and I can't stand your cursin', I'

Gee, you know I love you,
I don't know just why
Thought the whole world of you,
but today I say bye-bye, bye-bye

Too late, too late, too late

Can't stand your cookin' and you ain't good-lookin',
Can't stand your cookin' and you ain't good-lookin',

Gee, you know I love you,
I don't know just why
Thought the whole world of you,
but today I say bye-bye, bye-bye

Too late, too late, too late

Can't stand your beatin' and I know you been cheatin', I'
Can't stand your beatin' and I know you been cheatin', I'
Can't stand your beatin' and I know you been cheatin', I'
