

# Little Walter, Up The Line

You used to love me,  
you said I was your desire  
You&#039;re actin&#039; strange lately tryin&#039; to,  
drive my love away  
I&#039;m cuttin&#039; out baby,  
girl I&#039;m goin&#039; back up the line  
If I stay another day, you&#039;re goin&#039; to,  
drive me out of my mind

Took me from my home,  
I was nothin&#039; but a child  
Made all kinds a promises to me,  
I know it was lyin&#039; and jive  
I&#039;m cuttin&#039; out baby,  
girl I&#039;m goin&#039; back up the line  
If I stay another day, you&#039;re goin&#039; to,  
drive me out of my mind

Train is at the station,  
and I&#039;m all packed to go  
It ain&#039;t no use to worry,  
&#039;cause I won&#039;t be back no more  
I&#039;m cuttin&#039; out baby,  
girl I&#039;m goin&#039; back up the line  
If I stay another day, you&#039;re goin&#039; to,  
drive me out of my mind
