

Live, What Are We Fighting For?

Battle flag in the bassinet
Oil and blood on the bayonet
Crowded downtown hit the floor
What are we fightin' for?

What are we fightin' for?
What are we fightin' for?

The world got smaller but the bombs got bigger
Holocaust on a hairpin trigger
Aint no game so forget the score
What are we fightin' for?

What are we fightin' for?
What are we fightin' for?
What are we fightin' for?

What will I tell my daughter?
What will you tell your son?
Where were all the doves?
That we were nothing but a shadow,
a faceless generation devoid of love?

The crucifix ain't no baseball bat
Tell me what kind of God is that?
Ain't nothing more godless than a war
So what are we fightin' for?

What are we fightin' for?
What are we fightin' for?
What are we fightin' for?

What will I tell my daughter?
What will you tell your son?
Where were all the doves?
That we were nothing but a shadow,
A faceless generation?

What are we fightin' for?
