

# Live, You Are Not Alone

So many people die every day  
Who lived every night without hope  
Spending their time just standing in line  
Tugging on societys coats

So many people live every day  
Like they never gonna get old  
Doing their time like ?  
?

Oooh, oooh, you are not alone  
Oooh, oooh, you are not alone

So many people keeping the pace  
Just the other side of grace  
Faking their smiles, just ranking the file  
Wild cheetahs put in a cage, oh baby now

So many people can't see the signs  
Even though their eyes are just fine  
? late for the show  
?

Oooh, oooh, you are not alone  
Oooh, oooh, you are not alone, no child  
Oooh, you are not alone, no child  
Oooh, you are not alone

Oooh, oooh, oooh, ooh  
Oooh, oooh, oooh, ooh  
?  
?

So many people die every day  
Who lived every night without hope  
Spending their time just standing in line  
Tugging on societys coats

Oooh, oooh, you are not alone  
Oooh, oooh, you are not alone, no child  
Oooh, you are not alone, child  
Oooh, you are not alone

You are not alone, yeah

Not alone  
Not alone  
Not alone  
Not alone  
Not alone  
Not alone
