

Living Colour, Postman

I am an angel, stands in the corner, nobody sees me
Invisible angel, makes certain signals, only I know what they me
Dogs and demons walks in my head
I am deep under pressure
I understand what I have to do now
I know I'm just following orders
They crucify me again and again
I won't stay on the cross
Nobody knows the trouble I've seen
Nobody knows what I've lost
Heavy things, in a heavy bag, heavy thoughts on my mind
Ghosts and monsters, you bastard sinners, you've ruined my life
I walk through a crowd, nobody sees me, I'm invisible here
I've come to finish my mission and put an end to his fear
They crucify me again and again
I won't stay on the cross
Nobody knows the trouble I've seen
Nobody knows what I've lost
Day in, day out, day in, day out
Chaos and carnage around me
Well I hear thier shouts and cries
Well I laugh at the gut when they try to surround me
They won't take me alive
They crucify me again and again
I won't stay on the cross
Nobody knows the trouble I've seen
Nobody knows what I've, nobody knows that it's
Day in, day out, day in, day out, day in
Nobody knows the trouble I've seen
Nobody knows what I've lost
