

# Living Sacrifice, Ignite

Flicker Inside

I've Seen The End My Friend

Cannot Continue In This Life

Abide In the Promises Told

Abide In The Promises Proven

Abide In The Promises Told, Abide In

Fan the Spark Of Hope

All Is Not Lost Here

I Saw The Outcome Once Before

So Distant It Seems So Long Ago, He's Still Alive

Intercession So Strong

Fan The Flame, So Close Now

Awaken The Strength, Internal

Write It Down, Make It Plan

I Saw The End Once Before

You Were There With Your Heart In Your Hand Outstretched

Shedding This Darkness

With Every Glance To The Sky

The Fire Is Revealing These Walls, Heart Twisting

Turning, Faithful, Sleepless, Faithful

But Now I Can Feel

But Now I Can Taste The Air Of Freedom

Ripping Through Moving Walls

Ripping Down This Structure

The Air Of Freedom Ripping Through Me

Write It Down, Make It Plan

I Saw The End Once Before

You Were There With Your Heart In Your Hand Outstretched

Shedding This Darkness

With Every Glance To The Sky, The Fire Is Revealing
