

Liz Golden, Do you remember me

I think about you all the time, I think about the heart that once was mine.
Where did we go wrong. Why can't I finally move on?
I dream about you every night, I dream about the life we'll never find.
Now, I wake up crying, wondering why we just stopped trying.

CHORUS

Do you remember me like I remember you?
My heart was alive when I was with you, but now I'm dying inside.
Do you still think of me like I still think of you?
I know that we're not right, but I can't get you out of my mind.
I remember the way we laughed, though I wasn't the first you said I'd be the last.
Now you're someone else, maybe that's why I can't find myself.
Do you remember me like I remember you?
My heart was alive when I was with you, but now I'm dying inside.
Do you still think of me like I still think of you?
I know that we're not right, but I can't get you out of my mind.
It's the little things, little things I can't get out of my mind.
Little things, little things. Hey, yeah.. (x2)
Do you remember me like I remember you?
My heart was alive when I was with you, but now I'm dying inside.
Do you still think of me like I still think of you?
I know that we're not right, but I can't get you out of my mind.
