

# LIZ PHAIR, Gunshy

Rifle in hand and two in the bush  
Three count delay, I may need a little push  
Take out the garbage on Tuesday nights  
Seems like the small things are the only things I'll fight  
Seems like the small things are the only things I'll fight  
Gunshy, gunshy, gunshy, gunshy  
See-monkeys, do-monkeys  
Story of my life  
Send three bucks to a comic book  
Get a house, car and wife
