LIZ PHAIR, May Queen

Don't be fooled by him, he's fine Rock-and-roll Ken doll, he's a national end-all He's an off and on friend of mine Where have I been? Got any what? Who have I seen? I spy a May queen You were miles above me Girls in your arms The changing of her majesty's guard is truly amazing Got any what? Disease, hashish, a mind? Do I have any what? Where have I been? Got any what? Who have I seen? I spy a May queen You were miles above me Girls in your arms You could've planted a farm All of them hayseeds...
