## MARRIED

How the world can change, it can change like that, due to one little word - married  
See a palace rise from a two room flat, due to one little word - married  
Und das grau in grau, wird auf einmal blau, wie noch kein blau jemals war  
For you wake one day, look around and say, somebody wonderful married me...

## MONEY MONEY

Money-money-money, money-money-money, money-money-money  
Money-money-money, money-money-money, money-money-money  
Money-money, money-money

Money makes the world go around, the world go around  
The world go around, money makes the [ ] go around  
Of that we're really sure, [thrrr] on being poor

Money-money-money, money-money-money, money-money-money  
Money-money-money, money-money, money-money, money-money  
Money-money, money-money, money-money

When you haven't any coal in the stove and you freeze in the winter  
And you curse to the wind at your fate  
When you haven't any shoes on your feet, your coat's thin as paper  
And you look thirty pounds underweight  
When you go to get a word of advice from the fat little pastor  
He will tell you to love evermore  
But when hunger comes a rap, rat-a-tat, rat-a-tat at the window  
See our love flies out the door

Money makes the world go around, the world go around the world  
Money makes the world go around, the clinking clanking sound of  
Money-money, money-money, money-money, money-money  
Get a little, get a little, money-money, money-money  
A mark, a yen, a buck, or a pound,
