## Lizaveta Misnikova, Break Free

If you want it, take it I should have said it before Tried to hide it, fake it I can't pretend anymore

I only want to die alive Never by the hands of a broken heart I don't wanna hear you lie tonight Now that I've become who I really am

This is the part when I say I don't want it I'm stronger than I've been before This is the part when I break free Cause I can't resist it no more

You were better, deeper I was under a spell Like a deadly fear I am, babe On the highway to hell

I only want to die alive Never by the hands of a broken heart I don't wanna hear you lie tonight Now that I've become who I really am

This is the part when I say I don't want it I'm stronger than I've been before This is the part when I break free Cause I can't resist it no more

Our love baby, The thought on your body I came alive It was lethal It was fatal In my dreams it felt so right But I woke up and pretend Oh baby

This is the part when I say I don't want it I'm stronger than I've been before This is the part when I break free Cause I can't resist it no more
