

# Lizz Wright, Trouble

Trouble in the air,  
I don't want it but I got to breathe  
It's coming through the door  
Behind the shadows that surround me when I sleep  
Somehow I know that I can't pray this away  
I'll keep my head down  
And get up on this train, this train, oh

I'm gonna ride this pain like a wave  
Lord, make me over, I don't wanna be afraid  
and when my time is come and gone  
I don't wanna be the one who can't let go

What if I get lost and I call out to you  
And you don't save me  
The water comes too close  
And I don't have the time to give  
What you gave to me  
Well as long as my name don't change I'll be the same  
I loved you more than time  
Forever can't take that away

Just let me ride this pain like a wave  
Lord, make me over, I don't wanna be afraid  
And when my time is come and gone  
I don't wanna be the one who can't let go

There is a river running by the train  
It ain't trouble  
It's just layin' there, waiting in the wind  
Waiting in the wind  
Waiting in the wind

Just let me ride this pain like a wave  
Lord, make me over, I don't wanna be afraid  
And when my time is come and gone  
I don't wanna be the one who can't let go

Let me ride this pain like a wave  
Make me over I don't wanna be afraid  
And when my time is come and gone  
I don't wanna be the one who can't let go
