

# Lizzo, I Love You Bitch

I'm under pressure and it's all on me  
Don't wanna stress ya, but you're all I need  
I wanna text ya these fire nudies  
The sass on your screen, I feel so complete  
Ooh, let me make a list  
'Cause you're beautiful and smart, fuckin' talented  
You're by my side, I don't need no wish  
I love you, bitch

I love you, bitch (I love you)  
I love you, bitch (Yeah, I love you)  
I love you, bitch (I love you, B)  
I never thought I'd say this  
I love you, bitch (I love you)  
I love you, bitch (Yeah, I love you)  
I love you, bitch (I love you, B)  
I never thought I'd say this

Uh, yeah, you are the most special-est  
Not just that bitch, but you my bitch  
You water all your plants and eat your veggies  
I'm obsessed with it  
I was at my lowest, your girl was goin' through it  
Remember, remember? Ooh  
I said, gimme your heart, no repo  
Figured me out, no cheat code  
Gimme your hoodie when I'm cold  
Bless your heart, it's too small  
Why don't you try?  
Do a little slow dance  
'Cause life goes way too fast

I love you, bitch (I love you)  
I love you, bitch (Yeah, I love you)  
I love you, bitch (I love you, B)  
I never thought I'd say this  
I love you, bitch (I love you)  
I love you, bitch (Yeah, I love you)  
I love you, bitch, hey (I love you, B)  
I never thought I'd say this

I love you, bitch  
I love you, bitch  
I love you, bitch  
I never thought I'd say this
