

# LL Cool J, I Need Love

When I'm alone in my room sometimes I stare at the wall  
and in the back of my mind I hear my conscience call  
Telling me I need a girl who's as sweet as a dove  
for the first time in my life, I see I need love  
There I was giggling about the games  
that I had played with many hearts, and I'm not saying no names  
Then the thought occurred, tear drops made my eyes burn  
as I said to myself look what you've done to her  
I can feel it inside, I can't explain how it feels  
all I know is that I'll never dish another raw deal  
Playing make believe pretending that I'm true  
holding in my laugh as I say that I love you  
Saying amor kissing you on the ear  
whispering I love you and I'll always be here  
Although I often reminisce I can't believe that I found  
a desire for true love floating around  
Inside my soul because my soul is cold  
one half of me deserves to be this way till I'm old  
But the other half needs affection and joy  
and the warmth that is created by a girl and a boy  
I need love  
I need love

Romance sheer delight how sweet  
I gotta find me a girl to make my life complete  
You can scratch my back, we'll get cozy and huddle  
I'll lay down my jacket so you can walk over a puddle  
I'll give you a rose, pull out your chair before we eat  
kiss you on the cheek and say ooh girl you're so sweet  
It's deja vu whenever I'm with you  
I could go on forever telling you what I do  
But where you at you're neither here or there  
I swear I can't find you anywhere  
Damn sure you ain't in my closet, or under my rug  
this love search is really making me bug  
And if you know who you are why don't you make yourself seen  
take the chance with my love and you'll find out what I mean  
Fantasy's can run but they can't hide  
and when I find you I'm gon' pour all my love inside  
I need love  
I need love

I wanna kiss you hold you never scold you just love you  
suck on you neck, caress you and rub you  
Grind moan and never be alone  
if you're not standing next to me you're on the phone  
Can't you hear it in my voice, I need love bad  
I've got money but love's something I've never had  
I need your ruby red lips sweet face and all  
I love you more than a man who's 10 feet tall  
I'd watch the sunrise in your eyes  
we're so in love when we hug we become paralyzed  
Our bodies explode in ecstasy unreal  
you're as soft as a pillow and I'm as hard as steel  
It's like a dream land, I can't lie I never been there  
maybe this is an experience that me and you can share  
Clean and unsoiled yet sweaty and wet  
I swear to you this is something that I'll never forget  
I need love  
I need love

See what I mean I've changed I'm no longer  
a play boy on the run I need something that's stronger  
Friendship, trust honor respect admiration

this whole experience has been such a revelation  
It's taught me love and how to be a real man  
to always be considerate and do all I can  
Protect you you're my lady and you mean so much  
my body tingles all over from the slightest touch  
Of your hand and understand I'll be frozen in time  
till we meet face to face and you tell me you're mine  
If I find you girl I swear I'll be a good man  
I'm not gonna leave it in destiny's hands  
I can't sit and wait for my princess to arrive  
I gotta struggle and fight to keep my dream alive  
I'll search the whole world for that special girl  
when I finally find you watch our love unfurl  
I need love  
I need love

Girl, listen to me  
When I be sittin in my room all alone, staring at the wall  
fantasies, they go through my mind  
And I've come to realize that I need true love  
and if you wanna give it to me girl make yourself seen  
I'll be waiting  
I love you
