

Lloyd Banks, Get The Fuck Up Now

Verse 1

Banks is gettin money money ain't gettin him
Him sitting his whip on 23 inch rims
why would i spend my money on tints
'cause i got my bombers hooded up in your lawndas
the cribs is bigger than my mama's
with that you can send your local high school or college
your year is expired you should pay knowledge
a hood nigga way out in the bahamas
on tour so you probably won't find us
in your barber shop i got a barber with liners
Banks grew kinda hard with piranhas
my closet is the size of a clothing designator
you're now rockin wit new yor city's finest
shuttin down the clubs a bunch of niggas went behind us
now i'm dealin wit a bunch of pre-madonnas
take em to the crib and have em bend over for recliners
Chrous

'cause i'm gettin money and my jewerly all green
some of the brightest shit you ever seen
my whole team so fresh and so clean
down south where they sipping on leen
little aks stray hit you wit the beam
i'm a bachelor i ain't lokin for a queen
a southside baller the "American Dream
bein nosey will get you behind beams
so if ain't your beef try not to intervene
