

Lloyd Banks, Help

(Verse 1: Lloyd Banks)

Ey, Excuse Me Miss You Must Be Some Kind Of A Model
Enough To Make A Shopper Run Out Of The Carlo
Enough To Make A Weak Nigga Go Mano Y Mano
Guess What I'm Strong As Rum Outta The Bottle
God Bless You When He Made Me
I Mean He Blessed Me When He Made You
I Got A Little Game Too
They Know Me Everywhere I Go
Thats What Fame Do
But We Can Keep It On The Low
Whats Your Name Boo
You Stuck In Your Ways But I Know How To Change You Range You
Tell You Things Like You're My Angel
Theres No Rules When It Come To This
Write Down Your Number Miss
They Call Me Banks
My Goverment Is Chris
They Feel Me In The Burbs
Love Me In The Bricks
Four Inch Lips On A Buggy Six
First Class Trips And The Bubblies Crys
I Work So Hard To Live Like This

(Chorus: Keri Hilson)

My Past Made Me So Weak But
You Make Me Stronger
Cause Everything Was Upside Down
Now I'm Right Back Where I Belong
Help I Think Cupid Got Me
Shot Me All Over My Body
I Think I'm Loosin My Cool
Cause I'm Doin Things I Don't Do

(Verse 2: Lloyd Banks)

Yeah I Got Her
She Hopped In The Ride So I Can Holla
My Favorite Girl Outside Of My Impala
I Ain't Goin Sell You A Dream I Don't Gotta
You Can Walk Around In The Street With No Colla
I Pick Up All These ?? Speaks That Don't Bother
The Innocent Role Aint Workin, Work Harder

I Ain't Tryna Lock You Down, I'm No Father
But Maybe We Can Go Further If You Just Listen
It's Hard As Hell For A Man In My Position
To Pick A Good Girl Up You Gotta Know The Difference
I Wonder If There's Even One In Existence
Enough To Keep My Attention To Go The Distance
Now Imma Have To Look Hard To Find A Better One
Cause You Sex Is A 187 Hun
You Got A Nigga Doin Shit I Aint Neva Done
So Now Even When I'm On Tour I Let Her Come

(Chorus: Keri Hilson)

My Past Made Me So Weak But
You Make Me Stronger
Cause Everything Was Upside Down
Now I'm Right Back Where I Belong
Help I Think Cupid Got Me
Shot Me All Over My Body
I Think I'm Loosin My Cool
Cause I'm Doin Things I Don't Do

(Female:)

Your Not Lot The Ones I'm Used To
I See Us Happy In Our Future
I'm Givin You All I Have
My Heart My Soul My Back
Cause You Are The Only Thing I Need

(Lloyd Banks:)

I Can Be Everything you need And More
Give You The Feeling You Can't Ignore

(Chorus: Keri Hilson)

My Past Made Me So Weak But (All Them Other Guys)
You Make Me Stronger (Before You)
Cause Everything Was Upside Down (Did Me Wrong)
Now I'm Right Back Where I Belong (So Wrong)
Help I Think Cupid Got Me (I Got You Now)
Shot Me All Over My Body
I Think I'm Loosin My Cool
Cause I'm Doin Things I Don't Do
