

Lloyd Banks, Me Against You

[Chorus x2: Lloyd Banks]

G-Unit (we 2nd time) makes the croud get live
So put on your A game
Crush the competition
Let the best man win
Coz its me against you

Toe to toe
Blow for blow
I can guarantee you gon' lose

[Verse 1: Young Buck]

Watch out i got my 2 strings tied
I'm wicked inside
You should see me when im flyin' from the free throw line
We aint on the playground
See there's rules to this game
Shake him with the crossover
Then i move to the lane
You lookin' at the clock
Ma im lookin' for the rock
Aint no player who can stop
this killer jump shot
And i still got hops
So gon' give me props
If ya bring it in here
i bet u cant make the shot

[Chorus x2: Lloyd Banks]

G-Unit ["we" 2nd time] makes the croud get live
So put on your A game
Crush the competition
Let the best man win
Coz its me against you

Toe to toe
Blow for blow
I can guarantee you gon' lose
