

Lloyd Banks, One Night Stand

(feat. Keon Bryce)

[Intro: Lloyd Banks {Keon Bryce}]

Uh... {Oooooohhh}

Uh huh... {Ooohh}

Yeah...

[Keon Bryce: Hook]

I'm one night standin'

My joy ride has just begun

Girl i'm the one I can get the job done

And not fall victim to the hit and run

I'm one night standin'

No breakfast in bed today

Soon as day breaks I'll be on my way

MIA back to JFK

[Verse: Lloyd Banks]

Yeah..

Shorty damn near mine without the whip and chain

bet if i don't get the pussy, I'm a get the brain

Whether she knows it or don't know it the shits the same

i'm a player with a league pass, ma i get the games

whether i hit her don't hit she won't forget the name (Banks!)

Lloyd Banks you know the yellow nigga with the change

a frozen hand on the metal when i whip the Range

i'm sittin' sideways, dazed and switchin' lanes

theres a 60-inch plasma in the master room

and we can sleep the whole morning and fuck away the afternoon

i had a way with words since i had a half a moon

and i'm tourin' the world all winter, i'll be back in June

you ain't gotta handle a mop, or push back a broom

theres maids for that, this where the people with the papers at

scars are a part of my story i can't take it back

maybe thats why i look at shit like that.. (Yeah!)

[Hook: Keon Bryce]

I'm one night standin'

My joy ride has just begun

Girl i'm the one I can get the job done

And not fall victim to the hit and run

I'm one night standin'

No breakfast in bed today

Soon as day breaks I'll be on my way

MIA back to JFK

[Verse: Lloyd Banks]

Uh..

And its the same thing around the way

just a lot more drama, you have to swing around the K

i never got the ones i wanted just the ones that wanted me

look at her, she got the vapours cuz i'm on TV

lookin' like a million dollars in that new GT

and my Reeze and my blue EV's, bitch please

i have you feelin' like you hit the jackpot

cuz my backshots, equivalent to crack rock

I have you hooked off dick, prank callin' and shit

going back and forth with your friends paint ballin' my whip

besides i done gave you the sign, you just wouldn't read it

now you feelin' like Keyshia Cole and You Should've Cheated

So ho, I pay it to never mind

mind on my money, money keep shit together

I'm probally gone when you roll over lookin'

Listenin' to the radio I'm halfway out of Brooklyn, good lookin'

[Hook: Keon Bryce]
