

Lloyd Cole, Wild Mushrooms

you tripped me up
you put mushrooms in my tea
you rolled me, took advantage of me
you tied me up
i see blisters on my wrists
do i recall you doing the wild thing on me
do you know what
i think that i liked it
do you know what
i think i'd like to do it again

you tripped me right up
you put mushrooms in my tea
you rolled me, took advantage of me
you tied me up
i see blisters on my wrists
do i recall you doing the wild thing on me
do you know what
i think that i liked it
do you know what
i think i'd like to do it again
