Ev-ev-every day I see my dream
Every day I see my dream
Every I see my dream (I see my dream son)
Every day I see

Every time I dive in my pool
It's hard to be humble

When I do the breaststroke through an underground tunnel
And come up on the other side in a jacuzzi
Being greeted by two naked models with suds on there booties
They give me hugs and lots of kisses
And they ask me what my wish is
I say go and call your bitches
Cause there's gonna be a party
Next they wash my body as a team
And then they say "Foo your royal penis is clean"
And I'm like

[Chorus:]

Yes it's on and poppin'
Yes the party's rockin'
Yes the cutie shockin'
Yes and there ain't no stoppin'

[X2]

[Bridge:]
