

Lobo, It's The Talk Of The Town

(Jerry Livingston / Marty Symes / Al Neiburg)

I can't show my face
Can't go any place
People stop and stare
It's so hard to bare

Everybody knows you left me
It's the talk of the town

Every time we meet
My heart skips a beat
We don't stop to speak
Though it's just a week

We sent out invitations
To friends and relations
Announcing our wedding day

Friends and relations
Gave congratulations
How can you face them
What can you say

Let's make up sweet heart
We can't stay apart
Don't let foolish pride
Keep you from my side

How can love like ours
Be ending
It's the talk of the town
