

# Lobo, Love Works

(Kent LaVoie / Billy Aerts)

Hey you on the hill  
Take the time if you will  
To read my note  
I'm not very smart  
But it comes from the heart of me  
I know this world is real complicated,  
And my idea may be out dated  
But it's the only thing  
That makes any sense to me

Love works every time  
When everything fails  
Love brings it in line  
Love works it's tested and true  
The one thing I know bout this earth  
Love works

Must the world shake apart  
Before all of our hearts  
Beat together?  
We'll argue and fight  
To prove we are right  
And that's all wrong  
The one thing I see in every instance,  
Love is the path of least resistance  
It's the only thing  
That makes any sense to me
