

Lobo, The End Of The World

(Arthur Kent / Sylvia Dee)

Why does the sun go no shining
Why does the sea rush to shore
Don't they know it's the end of the world
Cause you don't love me anymore

Why do the birds go no singing
Why do the stars glow above
Don't they know it's the end of the world
It ended when i lost your love

I wake up in the morning
And I wonder
Why everything's the same as it was
I can't understand
No I can't understand
How life goes on the way it does

Why does my heart go on beating
Why do these eyes on mine cry
Don't then know it's the end of the world
It ended when you said good-bye
