

# Local H, Everyone Alive

I say hey, hello, mom and dad  
I think it's great, okay or just plain bad  
Are you alive? Is everyone alive?

Oh yea well me? I guess, I'm doin' fine  
I don't know why, you think I would be lyin'  
I'm alive, like everyone's alive  
Is anyone alive?

I'm alright, I'm just fine,  
I'm alive, I'm alright.  
Everyone alive? (Everyone! Everyone!)  
Everyone alive? (Everyone! Everyone!)  
Everyone, is alive! (Alright!)

Oh honey, hey, hello, how was your day?  
You work was work, don't know any other way  
But I'm alive, like everyone's alive.  
It's just today, today that I seek  
I gotta find a way till the end of the week  
Make it alive, like everyone alive,  
Like everyone alive.

I'm alright, I'm just fine,  
I'm alive, I'm alright.  
Everyone alive? (Everyone! Everyone!)  
Everyone alive? (Everyone! Everyone!)  
Everyone, is alive!

(Alright let's go!)

I'm alright, I'm just fine,  
I'm alive, I'm alright.  
Everyone alive? (Everyone! Everyone!)  
Everyone alive? (Everyone! Everyone!)  
Everyone alive? (Everyone! Everyone!)  
Everyone, is alive!  
Alive!
