

# Local H, Michelle (Again)

Everybody knows  
or everybody likes to think they know  
everything about Michelle.  
No one ever asks  
'cause no one really thinks they have to ask  
tell you all about Michelle.

You know that Heather has it all.  
Rita's got a little more than all.  
No one's got it like Michelle.  
like Michelle  
like Michelle  
like Michelle

Everybody's sad  
or everybody's only acting sad  
when they hear about Michelle.  
Everybody knows  
or everybody likes to think they know  
everything about Michelle.

You know that Heather has it all,  
but Rita's got a little more than all.  
No one's got it like Michelle.

She got what I don't want.  
What I want is always what I've got.  
So with girls like Michelle.

I fall in love again.  
I fell in love before, I'll do it again  
with someone not like Michelle.
