

# Local H, She Hates My Job

she's my girl, she hates my job  
she'd trade it all in for the time that it's robbed  
she's ok, she don't lay blame  
but she hates my job all the same  
she hates my job  
she won't say  
i don't think i want to ask her anyway  
i know something's gotta give  
she hates my job but she'll live  
she hates my job  
its all alright, she just hates my job  
she'll admit it's not half bad  
i love my job and so does her mom and dad  
she hates my job  
she hates my job but i love her anyway  
she hates my job
