

Lodger, Big Day

It's watery coffee
At two o'clock
Crawl from the hotel
An abandoned dog
Nickel slots
And a coke
Lucky strikes
Are my holy smokes
Chorus:
It's gonna be a big day
Biggest day of them all
Day old soup
At Careful Kitty's
One straight drink
Helps me feel less shitty
Wet face in the mirror
And a hopeful wink
Time to hit the tables
Time to think
Chorus x 2
A big day it's gonna be (Repeat x 8)
