

# Lodger, Brunswick Centre

Eight o'clock, it opens  
Eight o'clock, it closes  
Eight o'clock, it opens  
Boots pharmacy  
Toothbrush, and some privacy  
In a water closet, of 5 star eatery, cult supremacy

Second hand books  
Second hand crooks  
Second hand meat  
Hanging from the hooks

You came to, right place  
To lose your face  
Concrete, concrete, life is sweet

I wanna spend the rest of my days  
I wanna spend the rest of my days  
I wanna spend the rest of my days  
I wanna spend the rest of my days  
At the Brunswick Centre  
The Brunswick Centre

?  
Really helps my Trust  
By showing nothing  
But floating dust  
William Hill  
Shows his good will  
And hands me  
An enormous bill

Beneath fun  
For mania  
I get my relief  
With Sweet Tanya  
Outdoor lust  
Weeds and rust  
Concrete, concrete  
Life is Sweet

I wanna spend the rest of my days  
I wanna spend the rest of my days  
I wanna spend the rest of my days  
I wanna spend the rest of my days

Woo

I wanna spend the rest of my days  
I wanna spend the rest of my days  
I wanna spend the rest of my days  
I wanna  
I wanna  
Rest of my days
