

Lodger, Wrong Bus

We've been cheated
Mistreated
Spit in the eye
Without a reason why

Parental advice
Act like mice
Pay the price
And Compromise

Those who, suffer long
Usually get quite strong
And those who have it all
Usually stay quite small

Don't feel sorry for us
Don't feel sorry for us
It's alright to miss the wrong bus
Don't feel sorry for us

We are the tumour
Your sense of humour
Fancy neighbourhood, sorry not in the mood

Those who, suffer long
Usually get quite strong
And those who have it all
Usually stay quite small

Don't feel sorry for us
Don't feel sorry for us
It's alright to miss the wrong bus
Don't feel sorry for us

Don't feel sorry for us
Don't feel sorry for us
It's alright to miss the wrong bus
Don't feel sorry for us
