Lodovica Comello, I Only Want to Be With You

I don't know what it is that makes me love you so I only know I never want to let you go 'Cause you've started something Oh, can't you see? That ever since we met You've had a hold on me It happens to be true I only want to be with you

It doesn't matter where you go or what you do I want to spend each moment of the day with you Oh, look what has happened with just one kiss I never knew that I could be in love like this It's crazy but it's true I only want to be with you

You stopped and smiled at me And asked if I'd care to dance I fell into your open arms And I didn't stand a chance Now listen honey I just want to be beside you everywhere As long as we're together, honey, I don't care 'Cause you've started something Oh, can't you see? That ever since we met You've had a hold on me No matter what you do I only want to be with you

Oh, oh, you stopped and you smiled at me And asked if I'd care to dance I fell into your open arms And I didn't stand a chance Now hear me tell you I just want to be beside you everywhere As long as we're together, honey, I don't care 'Cause you've started something Oh, can't you see? That ever since we met You've had a hold on me No matter what you do I only want to be with you I said no matter, no matter what you do I only want to be with you
