

Lokua Kanza, Kumba Nga?

(Catherine Susser/Lokua Kanza)

Spirit healer

keeps on telling me why

I've been running miles

since yesterday's sunrise

like a river

I've come all this way

just to say I love you

Yeah yeah...

just to say I love you

Navigated unrelenting seas

made my way

across the desert laughing

battled hunger

with my weapon of love

that's what life is made of

Nga na ye bolingo na nga koyebisa yo

ndenge nga nalingi yo

nokalanda yo bipayi nionso bolingo na nga

Yeah yeah...

just to say I love you
