

Lola Angst, Am I Dead

I went one step too far,
Now I'm dead
I'm lying in a white room
I think I'm getting mad
Black girls everywhere
Where is the door
Let's go to the dance floor

I think I'm gonna burn in hell,
Will never hear the angels bell ringing
Or some angels singing,
Hear God speaking friendly words to me
There are so many things I will never see
So come on Mister Lucifer
Let's enter the black paradise
there is nothing to choose
I wanna see all the girls,
Can I choose between leather or lace
And lick a high heeled foot

So come on Lucy
I will ever stay evil
Even in your slavery, yes I ill
Lying stealing killing fucking
If you want even sucking
I've got nothing to lose
So I'm gonna use all my might
To keep on staying like I am
Thank God I'm going to hell
Hell is my paradise

I went one step too far,
Now I'm dead
I'm lying in a white room
I think I'm getting mad
Black girls everywhere
Where is the door
Let's go to the dance floor

Maybe all i need is hot evil chick
To treat her bad and to fuck with
We would always be together
Burning in that hell forever
And I'll never be alone
But it would always be dusty but warm
And I'll never be alone
But it would always be dusty but warm
