

# Lonewolf, Ease My Pain

When I'm feeling blue tonight  
and I'm lying on my bed  
Darling, come and hold me tight  
take my hands and kiss my head

Bridge: I will always be with you  
I will always care...

Refrain: Darling will you be there any time  
and Darling, come and ease my pain

When my life is filled with pain  
and I'm seeing no way out  
Darling, come and stop the rain  
and tell me what it's all about

Bridge: I will always lay down there  
down there in your arms

Refrain

When I'm feeling blue tonight  
Darling, come and ease my pain  
When my life is filled with pain  
Darling, come and ease my pain

Refrain
