

# Lonewolf, Just Another Year

Many years have gone, since the child arrived  
the first step was followed by the first stumbled word  
Do you still remember, as you were growin'up  
you fell in love for the first time, it was hard to see you're dreamin'

Refrain: Just another year - just another day for life to live  
Just another year - just another path for you to roam  
Just another year  
Many things have changed, but they're not forgotten  
future's just a little word, no memories can keep it  
Years are gone and years will pass, some are good and some are sad  
but everyone will give you these unforgotten memories

Refrain
