

Lonewolf, Roses In The Rain

I'd like to see the green fields in the sun
I'd like to see the kids having fun
but as you left my heart in pain
I only see the roses, I left in the rain

I'd like to smell the flowers in the spring
I'd like to smell the love they would bring
but as you left my heart in pain
I only smell the roses, I left in the rain

I'd like to hear the birds in the morning
I'd like to hear the birds as they're calling
but as the pain of my heart grows
I only hear the rain falling on the rose

I'd like to feel your lips on mine
I'd like to feel you, as always fine
but as I see the roses in the rain
I only
