

# Long Since Forgotten, Just Listen

I've had enough of these unrestricted arguments  
It's worth much less than silence  
To spend my time like this

Can't you just see  
Through this wall of noise  
To see that

I don't want to fight  
Not this time  
Not tonight  
I'll try one more time

I'm waking up again  
To the sound of you not here  
It's becoming all too familiar  
Now all that's left are vacant screams at best

Now it's 4am  
With no one listening  
I wish I said nothing

I don't want to fight  
Not this time  
Not tonight  
I'll try one more time

I'll try one more time

I'll try one more time for you  
With all that's left within me  
To believe that we can make this through  
Because I love you

I don't want to fight  
(I'll try one more time for you)  
Not this time  
(With all that's left within me)  
Not tonight  
(To Believe that we can make this through)  
I'll try one more time  
(Because I love you)
