

# Longpigs, Impermanent

with a bookworms devotion  
and studious delight  
i dont know my name  
it's carmel tonight  
a nostalgic wallow  
the fool that i am  
not a dry eye in sight  
of lies gone by  
drawn back into the light  
memories forgotten  
of what might have been  
if my brain operated  
and fancies in full flight

official secret, impermanent  
not even a peek, imperfect moment  
i'm not letting you look, for what it meant  
not even a peek,impermanent

with a daily devotion  
and studious delight  
i dont know my name  
it's becky tonight  
a nostalgic wallow  
the fool that i am  
not a dry eye in sight  
of lies gone by  
drawn back into the light

of what might have been
