Longpigs, Impermanent

with a bookworms devotion and studious delight i dont know my name it's carmel tonight a nostalgic wallow the fool that i am not a dry eye in sight of lies gone by drawn back into the light memories forgotten of what might have been if my brain operated and fancies in full flight

official secret, impermanent not even a peek, imperfect moment i'm not letting you look, for what it meant not even a peek,impermanent

with a daily devotion and studious delight i dont know my name it's becky tonight a nostalgic wallow the fool that i am not a dry eye in sight of lies gone by drawn back into the light memories forgotten of what might have been if my brain operated and fancies in full flight

official secret, impermanent not even a peek, imperfect moment i'm not letting you look, for what it meant not even a peek,impermanent
