

Longpigs, On & On

All the songs that I've sung here,
More often than you know.
Cause you're the lull that I've countered,
More often than I've let it show.
And I wish you would leave me.
And I wish you would go.
And I wish you didn't need me.
And I wish I didn't love you so.
Cause I just can't go on.
So please don't do me wrong.
No, I won't do you harm.
My love for you goes on & on.
There's no one else I want beside you.
Give me a cold shoulder to cry upon.
You're never anywhere I find you.
You're never anything I rely upon.
And I wish you would leave me.
And I wish you would go.
And I wish you didn't need me.
And I wish I didn't know.

But I just can't go on.
So please don't do me wrong.
No I won't do you harm.
My love for you goes on & on & on & on.
No, I just can't go on.
So please don't do me wrong.
No I won't do you harm.
Cause my love goes
on & on
