

Longwave, Escape

escape
back in my mind
taking my time
i don't see you every day
coming around
crushing me down
open everything escape
you can run but i know what you are
you can take but i know what's inside
something to get me through
slipping into veiw oh
you can run but i know what you are
fly knowing my face
floating in space
exploding into you tonight
what fits in my head
choking my bed
give me hands to learn to fly
you can take but i know it's a lie
and when you're down they're never on you side
i can't look at my face
i want to leave this place oh
and you can take but i know it's a lie
and you can run but i know what you are
what you are
i know what you are
escape
