

Look What I Did, Zanzibar 1: The Dry Mouth Hors

sippy sippy sippy goes the midship captain
steering it is not his forte
but what is devotion?
no no no no no no no no no
I'm off
kilter
you're not
listening
Lonely Zanzibar
a patron of
good swashbuckling
ROPE SWING
sippy sippy sippy goes the thirsty horsie
swimming it
is not his forplay
but
rope swing!
choke horsie!
gurgle gurgle gurgle goes the choking horsie
and Zanzibar did it I know he did it I watched him do it!
rope swing!
choke horsies
all good horsies drink it dry
wet their mouths and close their eyes
all good horsies drink it dry
quench their thirst on human life
good horsies, drink it dry!
