

Loon, Be Easy

Sheezy homie let's pop a bottle
This is for the fellas in the spot who wanna rock with me
so now i wanna find me a model
We all came in to do what we do

I know you aint trying to get caught up
You dont got a problem chilling in the spot with me
So we just wanna have good time P-i-p is about to get hotter

(Chorus)

Peoples in trouble homie and let's pop a bottle
come now momi we sippin Don Perion
know that you feelin em when you jump and harder
Shake in it shake in it get your heart beat low
(Repeat)

If you wanna love somebody
you need to get up out ur seat
If you wanna be my shorty
Then come and give ur love to me
(Repeat)
