

Loona, Buenas Noches (Good Night)

I go to bed so tired I am
I close my eyes while I lay my head
All the trouble I crossed today
Oh, dear lord, listen to my pray
Mmmmm
Tomorrow will be another day
And all my sorrows will fade away
Forgive me if I didn't make it right,
Oh dear lord stay by my side
Mmmm
Duerme mi nio
Duerme mi nia
Duerme mi nio
Mmm, mm, mm, mm
So many things playing on my mind
Why is it only the birds can fly?
Is it impossible to touch the sky?
Oh dear lord please tell me why.
I know these answers are hard to give
but as long as you show me the way to live
Then I'm sure I will make it right
Thank you lord, for staying by my side
Duerme mi nio
Duerme mi nia
Duerme mi nio
Mmm, mm, mm, mm
Then I'm sure I will make it right
Thank you Lord for staying by my side
Thank you Lord for staying by my side
