

# Loose Let, Best In Me

I don't care if I sound kind of foolish  
I don't care if I sound kind of weak  
I'm not ashamed just to say how I'm feeling  
I've fallen head over heels

Cos you bring out the best in me  
Cos you bring out the best in me  
That's why I'll never let you go  
I'll never let you go

I've been In love before but I've never had this feeling  
I take away when your near  
I'm not a poet but I write down my feelings  
Only for your eyes to see

Cos you bring out the best in me  
Cos you bring out the best in me  
That's why I'll never let you go  
I'll never let you go

Cos you bring out the best in me  
Cos you bring out the best in me  
Cos you bring out the best in me  
Cos you bring out the best in me (You bring out...)  
That's why I'll never let you go  
I'll never let you go  
I won't let you go  
I'll never let you go
