Hey, I don't know you  
Hello my friend  
Girl I've met you  
Are you the same little girl I knew  
Do you recall It wasn't such a long long time ago

I wanna know all about every single little thing you've done  
Tell me where you've been

Seventeen look at you know  
(You got hold of my heart and won't let me go)  
Seventeen look at you know  
(You got hold of heart heart cos I love you so)  
Seventeen

Look back in time what do you see  
Do you remember how it used to be  
I was your plane I could never think of you that way

Cos everything changes so fast  
That was then and this is now  
What a fool I've been

Seventeen look at you know  
(You got hold of my heart and won't let me go)  
Seventeen look at you know  
(Just keep a hold on my heart cos I love you so)

We can take it slow  
Now are time has come here we are and here we go

Seventeen look at you know
