

Loraine McFarland, A Crush

Verse 1

☐ You have done things nobodys does
☐ You take me to places high above
☐ You give me butterflies when I see you
☐ You drive me crazy when you step in the room
☐ Somethin' bout your lips
☐ Somethin' bout your eyes
☐ Somethin' bout your style
☐ Keeps you on my mind
☐ I thought it was nothing
☐ Turns out it's something
☐ You're the one who keeps me up everynight

☐ Chorus

☐ Ooh ooh ooh ooh
☐ A crush
☐ Ooh ooh ooh ooh
☐ A crush

☐ Verse 2

☐ I haven't spoken much to ya to
☐ But yet again neither have you
☐ We're so much alike and you don't know
☐ When you see my face you start to show
☐ That you kinda like me
☐ Wanna get to know me
☐ But you are to shy
☐ Boy you're stuck on my mind
☐ I wanna get to know you
☐ But if I could tell you
☐ Those things I will never say
